

Aiming higher to deliver exceptional outcomes.

Baker is a full-service civil contractor and the nation's leading specialty concrete contractor.

We focus on all types of cast-in-place concrete construction. Our experience extends across the industrial distribution and manufacturing sectors.

Experience without rival.

Complex and capital-intensive, industrial construction projects have no margin for error, delay, or cost overruns.

Baker has built a 50-plus-year legacy of successfully executing projects safely, on time, and on budget. Our extensive expertise, capabilities, and proven ability to orchestrate people, equipment, and materials around active operations reduce risk and create more value for our clients.
